CERTIFICATE

PLANT PRODUCTION CONTROL

85/ZKP/13

it is hereby stated that construction products:

laminated glass and laminated safety glass

placed on the market by

VITROTERM MURÓW
Spółka Akcyjna
ul. Wolności 33
46-030 Murów

produced in the factory:

as above

are covered by the manufacturer with production control system and the notified body – ICiMB CERTIFICATION DEPARTMENT in Warszawa – have performed preliminary inspection of the plant and audit of production control system of the plant, and also performs ongoing supervision, assessment and approval of production control system of the plant.

This is to certify that based on the inspection of the plant and audit of production control system all requirements are met as specified in **PCD-ZKP Certification Programme** and detailed in the standard

PN-EN 14449:2008

in the scope of production process tests

The Certificate was issued for the first time on **04.11.2013** and remains in force as long as the a.m. technical specification, production process or production control system are not materially modified, and provided that the manufacturer adheres to the requirements included in **PCD-ZKP Certification Programme**.
