

CERTIFIED PROCESSOR

CERTIFICATE

Guardian Europe S.à.r.l., 19 rue du Puits Romain,8070 Bertrange, Luxembourg

is pleased to confirm that the processor

Vitroterm-Murów S.A.

Ul Wolności 33

42-030 Murów, Poland

Is capable to successfully process the following Guardian glass products with an application of the Guardian System TEA (“True Edge Application enamel“)

Guardian SunGuard®, Guardian ClimaGuard® [and Guardian Sun®]

and therefore (a) is certified to process the family of the above-mentioned products (as listed in Annex A to this Certificate) with an application of the Guardian System TEA enamel, and (b) in relation to such processing, is granted a free of charge license to use Guardian’s Intellectual Property and related know-how as described in Annex B to this Certificate.

Guardian products indicated above are sold subject to Guardian Conditions of Sale (Annex C) and Guardian warranties (Annex D). It is the sole responsibility of the processor to adequately inspect the products before each step of fabrication and prior to installation. Failure to apply all applicable standards, as well as Guardian guidelines (Annex E) will automatically void any Guardian warranties for the products. The processor has the full responsibility for the quality of the final product. By this certificate Guardian is not granting any warranty regarding the processor’s continuing capability to adequately process Guardian’s products. Please contact Guardian should you require any additional information as to processing of the products and for the most current product information.

This Certificate is valid for one year from the date of issue. Guardian may revoke this certification at any time should any of the above conditions be not complied with by the Processor.

Issued: 12-Sep-22
